We are cordially thankful to respected Director Homoeopathy, Uttarakhand, Dr. Rajendra Singh, for his motivation, precious guidance and continuous support in this Herculean endeavor to support the world during this crucial time due to CORONA pandemic through the holistic system of healing i.e. Homoeopathy, by boosting up the immune system of the humanity with Homoeopathic prophylaxis with Ars alb 30 CH.

Introduction

Homoeo Cure & Research Institute has been founded by **Dr. Rajneesh Kumar Sharma MD (Homoeopathy)** in 1994 and providing health solutions to the suffering humanity with classical Homoeopathy all over the world. More than 25 countries in the world and all the states of India are seeking consultations from Dr. Rajneesh Kumar Sharma and getting very satisfactory results.

Dr. Sharma is treating acute emergencies with Homoeopathic remedies in well-equipped ICU and NICU at his **Sparsh Multispecialty Hospital**, situated at Kashipur.

In social field, he is actively participating with help of camps, surveys, publishing articles, presenting research papers in various seminars and various projects.

Miracles are very frequent in ICU when Homoeopathic remedies are used along with life supporting systems and modalities like Oxygen supply, IV fluids, CPEP, BIPEP and Ventilators etc.

Role of Homoeopathy in COVID19 pandemic

Arsenicum album 30 CH, daily once in empty stomach for three days. The dose should be repeated after one month by following the same schedule till **Corona virus** infections prevalent in the community.

In one of the studies Arsenic album as one of the constituents in a formulation affected HT29 cells and human macrophages. Also, it showed ↓NF-KB hyperactivity (reduced expression of reporter gene GFP in transfected HT29 cells), ↓TNF- α release in macrophages. More over Arsenic album is a common prescription in the cases of respiratory infections in day to day practice.

Various medicine which found to be effective in treating flu like illness are Arsenicum album, Btyonia alba, Rhus toxicodendron, Belladonna Gelsemium, Eupatorium perfoliatum.

All these medicines should be taken in consultation with qualified physicians of respective AYUSH systems.

Medicine mentioned Symptom management of COVID-19 like illnesses" under subhead Homoeopathy can also be given as add on to the conventional care.

All these medicines should be taken in consultation with qualified physicians of respective AYUSH systems.

General preventive measures

- Observe good personal hygiene.
- Practice frequent hand washing with soap.
- Follow respiratory etiquettes - cover your mouth when coughing or sneezing.
- Avoid close contact with people who are unwell or showing symptoms of illness, such as cough, runny nose etc.
- Avoid contact with live animals and consumption of raw/undercooked meats.
- Avoid travel to farms, live animal markets or where animals are slaughtered.
- Wear a mask if you have respiratory symptoms such as cough or runny nose.

Homoeoprophylaxis against COVID19

Arsenicum album 30 CH, one dose daily mornings, empty stomach, for three days has been recommended as immunity booster against CORONA virus by Ministry of AYUSH, Government of India.

We, under banner of Homoeo Cure & Research Institute and Sparsh Multispecialty Hospital, Kashipur followed the guidelines of AYUSH Ministry and instructions by Hon'ble Dr. Rajendra Singh, Director Homoeopathy, Uttarakhand, and freely distributed Arsenicum album 30 in Kashipur area to prevent the population from Corona virus.

About 12000 persons were given this prophylaxis in Kashipur Municipal Corporation area and till today (08-05-2020), no active CORONA case is filed.

Remedy distribution is continued and hopefully, we shall have 100% success rate in preventing COVID19 pandemic in our area with help of Homoeopathy.

Followup Report after 40 days of Homoeoprophylaxis against COVID19

No active case of COVID19 was found in local community, who received Arsenicum album 30 as Homoeoprophylaxis.

Situation Update, Uttarakhand: Today

WHO has declared the Novel Corona Virus (COVID-19) epidemic as Public Health Emergency of International Concern (PHEIC) under IHR (International Health Regulation). In this context, Uttarakhand Government has strengthened the surveillance and control measures against the disease. Isolation and Institutional Quarantine facilities are operational in all districts. To combat the pandemic, the Government has operationalized **17** dedicated COVID Hospitals and **208** COVID Care Centres (CCC).

Public Health Action Taken

- To enhance the COVID-19 testing capacity, the State Government has signed MOU with **CSIR-IMTECH** Chandigarh. CSIR-IMTECH is a premier Government R&D lab and ICMR approved testing centre for testing of the COVID-19 samples through high-end technology platforms.
- To combat the COVID-19 pandemic situation, the state government has notified revised discharge policy for cured and treated COVID-19 patients as per the directions of GOI.

APPEAL

Department of Health and Family Welfare, Uttarakhand appeal to citizens of the state to follow the advisory for lockdown. All persons who are contacts of Positive cases and people who have come from outside the state must observe mandatory home quarantine as instructed by authorities. They may stay in separate room and not venture outside their house.

NOTE:

- After release of the Health update yesterday at 9.00 PM, Fifty Six (56) additional COVID-19 positive cases were reported and One (01) COVID-19 positive cases reported today. The description of positive detected patients is as below:

District Name	Number of positive cases	Brief travel history
Almora	01	01 –Delhi NCR
Chamoli	03	03 - Delhi
Dehradun	28 (01 Private lab)	Travel history from IDSP Dehradun is not available currently
Haridwar	05	05 –Delhi
Pauri	14	04 - Contacts of earlier detected positive case 01 – Haryana 06 – Local resident having no travel history 03 – Delhi
Tehri	01	01 – Health care worker
Rudraprayag	04	02 –Delhi 02 – Contacts of earlier detected positive case
Uttarkashi	01	01 – Maharashtra

- Five (08) patients discharged from different districts (Dehradun – 06, Nainital - 01 & Haridwar– 01).
- In last night bulletin (health update 9:00 PM), one COVID-19 positive death was reported from Dr. Sushila Tiwari Govt. Hospital, Haldwani. The case was referred from District hospital Bageshwar and the sample of deceased was taken at two places (Bageshwar & Haldwani). Accordingly the entry has made in both the districts. However the initial sample was taken by District Bageshwar, hence the death will be considered in District Bageshwar and deleted from District Nainital.

Preventive measures

1. All citizens must wear masks whenever venturing outside of their homes.
2. Travelers' and their family members must ensure strict respiratory and hand hygiene.
3. Hand wash by Soap and water up to 20 second must be followed.
