As we roll into November, transitions continue through Thanksgiving!

In the continued spirit of sharing and gratitude, we hold space for Debby Bruck, on November 7th, marking her birthdate. Debby's beloved presence still guides the spirit and living legacy of Homeopathy and the devoted and spirited work of Kavitha Kukunoor. To celebrate Debby, and to invite the gratitude of abundance, we would like to share some inspirational talks and videos.

Sweet memories of Debby shared at Kavitha Kukunoor's residence in Michigan

The first, is an audio link, with Debby interviewing Kavitha Kukunoor, about her book *Beyond the Limits*, in 2015. The second link connects one to archived video clips, between 2015-2018 with Debby Bruck in Kavitha's **Friends Forever series**.
