About Kavitha Kukunoor

Kavitha Kukunoor, a homeopathic practitioner from India, who moved to Michigan, USA in 1998 and has been there ever since practicing Homeopathy. She graduated with a Bachelor's degree in Homeopathic Medicine and Surgery (BHMS) with an honorable designation as Dr. Kavitha Kukunoor from University of Health Sciences, Andhra Pradesh, India and has been in practice since 1995. She is a Certified Classical Homeopath, CCH (USA) and Registered member of NASH (North American Society of Homeopaths) RS Hom(NA). **She is also President and CEO of Kavitha Holistic Approach. She is founder of KHA Homeopathy Study group** leading and mentoring 20-25 homeopaths. She is a certified Homeoprophylaxis supervisor and mentors students and conducts lectures on Homeopathy internationally, plus organizes monthly webinars in Materia Medica and Case Studies in Homeopathy.

She established Kavitha Holistic Approach, LLC in 2013, the study group generally offers 1 to 2 free webinars a month. **Over the course of two years, more than 40 professional educational webinars** were hosted by Kavitha Kukunoor. These webinars formed the seeds for KHA Study Group to sprout. Sharing, good-will, and solid clinical work within the classical model are foundational principles for KHA. Following each webinar, attendees may fill out a Jotform, to receive a Continuing Education Certificate, for both CHC and non-CHC attendees. She encourages speakers to get ACHENA accredited for the webinars. By virtue of Kavitha's charisma and commitment to service in the field of homeopathy, she gathers and brings together dynamic, like-minded teachers and honorable guest presenters. Through the study group she also uniquely supports Stage 4 cancer survivors by providing moral support, offering them space to share their thriving encouraging stories.

Dr. Kavitha Kukunoor, I am very proud of your accomplishments as a homeopathic

practitioner in a country and time where the value of Homeopathy and Holistic Medicine is not recognised as it should. I have watched your videos and webinars to educate & to promote homeopathy. I admire you for all your accomplishments - here in the US, in India & internationally - great job! I have great admiration for your courage, expertise, recognition and entrepreneurship!

Dr Beena Sood

Pediatrician, Professor at Wayne State University (WSU), Michigan, USA

“Kavitha, your boundless enthusiasm for promoting homeopathy and providing continuing education opportunities to students and practitioners is admirable. I wish you the very best for your pro bono work with KHA. I am delighted that you have found space in your life for doing this unique and selfless ‘seva’ for homeopathy. May your Vital Force keep you shining energetically and on top of your game.”

Vatsala Sperling, PhD (Microbiology), PDHom (Homeopathy) USA

“Kuku is the early bird who wakes us up early in the morning in India. Kavitha Kukunoor is waking up the Homeopathic profession by organizing wonderful webinars and wonderful activities and she has given Invitation to all different people from different countries and from different walks of Life and that’s her specialty!

Dr. Kavitha is a homoeopathic practitioner committed to transform the world with homoeopathy. Organisation of KHA is working step by step to integrate different pearls of homoeopathy in making a necklace. I wish her organization and team a grand success. Let her passionate, enthusiastic work bring around energy to relieve one and all globally to create a wonderful healthy homoeopathic world. My team of Enlightenment Education, Welcome Cure and Mind Technologies wish her best of luck for every venture and adventure she undertakes.”

"Sometimes Words are not enough for someone you admire the most and that's what is happening today with me!

To be honest, Never before have I seen a lady like Dr Kavitha Kukunoor who is so dynamic, dedicated, hard-working and yet still tenacious at the same time. She always manages to distinguish her work by having it done so well & putting her heart in it which I genuinely appreciate.

She is such a beautiful soul with a golden heart, so lively, loving, caring & extraordinarily kind!

I always left astounded at the level of efforts she put in to make everybody happy.

I am honoured that I got this opportunity to be associated with her through the platform she created to promote Homeopathy and the homeopathic mentors & to inspire the budding homeopaths so that they shine worldwide. KHA Homeopathy Study Group which is one of the most motivating places just because of her. It is an absolute pleasure for me to work and learn under her guidance.

I feel fortunate to have an amazing mentor like her, the way she praises, the way she motivates, and the way she supports, the way she loves is something that helps establish a sense of confidence as well as a zeal to work harder.

She is really an inspiration to all & deserves all the applause as well as my sincere gratitude for all the selfless work she is doing.

With love

Dr Shweta Singh, MD (HOM), India

A leader leads by setting an example for the upcoming generation. Her passion, commitment, dedication and motivation make everyone else to become passionate, committed, dedicated, and motivated always. Dr Kavitha Kukunoor is a one-of-a-kind, dedicated, confident humanitarian, always motivating everyone to do something better. She is a beautiful gem, her big heart, passion and relentless hard work is helping to grow the homoeopathic world. This is what I admire the most in you. She is a heart driven person and that is what attracts people towards her. Her enthusiasm, sharp insights, openness and service to homoeopathy makes her a treasured gem in the homeopathic fraternity. Thanks for making me a part of your platform and giving me this opportunity to do something for Homoeopathy. KHA Homeopathy Study Group, our family of lovely Homoeopaths, is a superb venture to share knowledge as well as promote Homoeopathic science worldwide. Thank you so much Ma'am for always guiding me and directing the way

to excellence in our science! No words would be enough to thank you for whatever you do for all of us.
