Diving into spirituality

BY: DR. KAVITHA KUKUNOOR

I am very excited and took the privilege to share with you all about our Island Lake resident Dr. Kavitha Kukunoor's new eBook *A Dose of Spirituality with Kavitha*. She continues her journey not only as a dedicated homeopath but also as an author of two books. She is a certified and registered homeopathic practitioner in North America and is the Founder and Director of KHA Homeopathy study group, pro bono, with 20-30 doctors. She creates a healthy and positive environment. Her first book, *Beyond the Limits - A challenge to prove oneself*, was very well received and inspired many like-minded people. Now, after 10 years, she has come up with another beautiful book titled *A Dose of Spirituality with Kavitha*.

This brand-new book has inspirational messages from the KHA family and friends, blessings from Sri Sri Sri Chinna Jeeyar Swami, Sri Sri Sri Ahobila Swami, and many more
